

PRD N° 0317

Notified Body 1777 - CPR

CERTIFICATE OF CONSTANCY OF PERFORMANCE 1777 - CPR - 24.01

In compliance with Regulation (EU) No. 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Elastomeric Bearings type A, B, C and F

made of Natural Rubber compound identified as NR no. 2 with or without cover layer in Chloroprene Rubber compound identified as CR no. 4 and up to the maximum normalized dimension as stated in Table 3 of EN 1337-3:2005 that is compliant with Type I and Type II bearings, for minimum operating temperature of -25° C and maximum operating temperature +50° C (and for short periods up to +70°C)

with trade name

ESAFLON

to use in buildings and civil engineering works where requirements on individual devices are critical,

placed on the market under the name or trade mark of

SOMMA SRL

Viale Shakespeare, 47 - 00144 Roma - Italy

and produced in the manufacturing plant

A-E*

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 1337-3:2005

under System 1 for the performance set out in this certificate are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

constancy of performance of the construction product.

This certificate was first issued on 12 February 2024 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.

The present Certificate cancels and replaces the previous revision no. 0.
