

Notified Body 1777 - CPR

CERTIFICATE OF CONSTANCY OF PERFORMANCE 1777 - CPR - 25.01

In compliance with Regulation (EU) No. 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Elastomeric Bearings

type A, B, C and F, made of Natural Rubber compound NR 60 RP up to the maximum normalized dimension as stated in Table 3 of EN 1337-3:2005 for thickness of elastomeric layer up to 12 mm,

for minimum operating temperature of -25° C and maximum operating temperature of +50° C (and for short periods up to +70°C)

with trade name

BJ-EAR

to use in buildings and civil engineering works where requirements on individual devices are critical,

placed on the market under the name or trade mark of

BEARINGS AND JOINTS srl Corso Francia, 96 – 10143 Torino (TO) - Italy

and produced in the manufacturing plant

BEARINGS AND JOINTS srl Via Caossea, 61 – 35038 Torreglia (PD) - Italy

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 1337-3:2005

under System 1 for the performance set out in this certificate are applied and that the factory production control conducted by the manufacturer is assessed to ensure the

constancy of performance of the construction product.

This certificate was first issued on 19 March 2025 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.

Milan, 19 March 2025.
